Pine City is an equal opportunity employer

EQUIPMENT RENTAL PROPOSAL FOR 2019

Proposal Deadline: March 21, 2019 @ 12:00 noon

All prices to remain in effect **for two (2) years** from the date of bid opening **and** until the Council accepts new bids. Contractor must provide Public Liability Insurance on Equipment and Workmen's Compensation Insurance for Labor. Bidders must furnish Pine City with Certificates of Insurance prior to start of any work for the City. **Bidders must make sure that the cubic yard load capacity listed meets the legal D.O.T. standards.**

It is understood that all fuel, oil, repairs, materials and labor for upkeep and operation of the equipment are included in the above rates. No deduction of time will be made for stops of 15 minutes or less. No compensation will be allowed by the City for the transportation of equipment to and from a job or point of operation. All work shall be under the supervision of the Public Works Supervisor or his designee from the City of Pine City.

When the City of Pine City subcontracts independent contractors for the use of the contractor's vehicles, equipment and employees the contractor shall provide the City a Certificate of Insurance showing that the contractor carries Liability Insurance and Workers Compensation. The contractor shall defend, indemnify and hold harmless the City, its employees and officers from all suits, actions and claims that result from bodily injury or property damage from the use of the contractor's equipment or vehicles by the contractor's employees.

If the City rents the contractors equipment or vehicles without operators and City uses its own employees to operate this equipment then the City shall be responsible for any damage to the equipment or vehicles. The City shall also be responsible for any property damage or bodily injury that may be caused by city employees while operating the contractor's equipment or vehicles.

The City reserves the right to reject any and all Bids, to waive irregularities and informalities therein and to award the Contract in the best interests of the City of Pine City, Minnesota.
